

Summary of Results 2015

The following tables show the performance of our children against the performance of all children nationally. As a whole cohort (group), our children generally come in to school at a standard below the national average. By the time they leave our school at the end of Key Stage 2 the cohort are at or, in some cases, above the national average which indicates good progress. The data below shows attainment (what the children achieved) at the key points in the primary school year.
